

ATHLETIC BOOSTERS 2009-2010

Welcome to the start of another exciting year. The Athletic Booster organization thanks everyone who has supported the program in the past and welcomes those who are new to the district.

OUR MISSION

To promote physical fitness throughout the Frankfort School District 157-C. We support the physical education programs and other fitness related programs at Grand Prairie Elementary, Chelsea Intermediate and Hickory Creek Middle Schools.

Note: We are *NOT* a booster organization exclusive to sports teams.

As a result of the Athletic Booster fundraising efforts, the organization grants wishes from each of the schools' Wish List. The wishes granted are for those that promote and support physical fitness activities. We hope to fulfill as many wishes as possible through the support of our fundraising efforts.

These are some of the wishes that have been granted:
