

Hickory Creek Tech Club
6th, 7th, 8th Grade Boys & Girls

Dear Students/Parent/Guardians,

The 2017-2018 Hickory Creek Tech Club will begin Thursday, October 5th. Tech Club will meet on Thursdays from 2:30-3:30 after school (see below dates). If you are not able to attend each session, but can make the majority of our sessions, you should still join! Please pick up your child promptly at 3:30pm. This club is open to ALL 6th, 7th, 8th graders; BOTH Boys and Girls may join the club. As a club member, your child will get opportunities to explore computer design and robotic coding. We will be creating Photoshop projects, video games, creating movies, using a green screen for photo and video editing, robotics obstacle courses, and more.

There is NO LIMIT on the number of students who may wish to join this year. Spread the word and get your friends to join too!!! Tech Club will be held in the STEM Room. Tech Clubbers are encouraged to bring a snack to eat/drink before we start working. There is a \$40 non-refundable Activity Fee plus a \$5 *Showcase Party* participation fee. The non-refundable activity fee can be paid by a credit/debit card on the school district's website (www.fsd157c.org) using RevTrak. You may also pay with a school check payable to Frankfort School District 157c. **Please sign-up and turn in the attached form by Tuesday, October 3rd.**
