

Community Consolidated School District 157-C

Dear Chelsea Parents and Guardians,

We invite you to Chelsea Intermediate School’s Curriculum Night on Wednesday, September 5 from 5:30 – 7:00 PM. This important event highlights our partnership with our families as we provide time for presentations by teachers and administration as well as exploration of the building.

There will be three presentations throughout the evening. One will be specific to your child’s class and curriculum, another will focus on our school’s programming and supports, and the final presentation will be about student and staff safety.

We look forward to seeing you on September 5!

Sincerely,

Doug Wernet
Principal
