

Chelsea Intermediate School News – June 2009

Note from the Main Office

Dear Parents,

We look forward to the fall for another exciting school year. At that time, we will open our newest wing at Chelsea which includes 12 new classrooms. Student Ambassadors have met with us this year to submit ideas for the use of the multipurpose space in our new addition. We are excited to be able to allow for indoor recess space during the winter months and inclement weather. The construction project will also provide us with a second playground outside. The 2009-2010 school year will bring many new changes, and we look forward to the return of our Chelsea students.

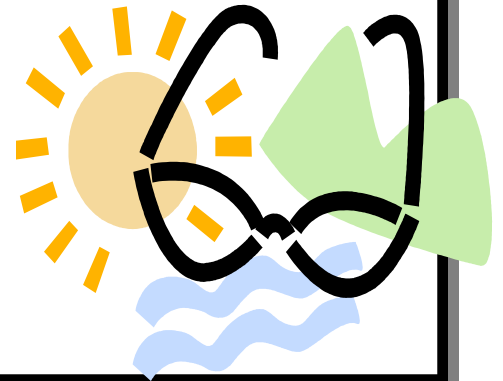

Sincerely,

Ms. Fuqua, Principal

Mrs. Mullin, Assistant Principal
