June, 2009

Dear Parents/Guardians,

We would like to take a moment and thank the parents for all of their support throughout the school year. We have a few dates and reminders as you start your summer.

As you are aware, we have seen an increase of trains on the surrounding railroad tracks throughout Frankfort. With the onset of summer, students are more likely to be on the move, crossing the various railroad tracks. Please take some time to review the basic safety procedures to ensure a safe summer.

Some crossings which don't have gates may have this sign. When the lights are flashing, a train is coming. You should wait until the train or trains have passed before trying to cross the tracks.

Many railroad crossings have a gate with flashing lights that close when a train is coming.

- \* **NEVER** go around a closed railroad gate.
- \* **NEVER** try to get across the track before the train gets there.

This sign means you are coming to a railroad crossing. Always look both ways and listen carefully to be sure a train is not coming from either direction before crossing the tracks.

Open House- August 6th 1:00 p.m.—3:00 p.m.

All students are invited to attend our Open House "Basic Training" on August 6th from 1:00 p.m.—3:00 p.m. Students and parents will have the opportunity to participate in a self-guided tour and a few fun activities.

## Sports

Please make sure to check our website regarding information for 8<sup>th</sup> Grade Softball and Baseball tryouts. All students participating in sports must have an up to date physical on file.

We hope you have an opportunity to spend some quality time with your child and relax. We will see everyone back on August 18th!

Respectfully,

Kevin Suchinski, Principal
