

MOMS Club[®] of Frankfort, IL

The MOMS Club (Moms Offering Moms Support) of Frankfort, IL supports at-home and part-time working mothers in our community! It is a wonderful way to meet other at-home moms and for your children to interact with other children. Our club offers many activities each month, including:

- ◆ *Playgroups*
- ◆ *Park Dates*
- ◆ *Breakfasts/Lunches*
- ◆ *Outings to local events*
- ◆ *Moms Night Out*
- ◆ *Family Nights/Couples Nights*

We also perform service projects to help needy children in our community! Recently we have participated in back to school supply drives, Toys for Tots toy drives and food drives. We make donations or volunteer our time to support local children and family oriented businesses or groups, such as local children's museum and park districts.

Our club is an affiliate of the International MOMS Club, which has 2,000 chapters and 100,000 members in 8 countries. The International MOMS Club was founded in 1983 in California by a stay-at-home mom who wanted to meet other stay-at-home moms and find playmates for her children. When she could not find any organization that met during the day and allowed her to come with her baby and preschooler, she decided to start MOMS Club.
