VIRTUAL BACKPACK

Dear Parent/Guardians,

Frankfort District 157-C is proud to support the "Going Green" initiative by implementing a new approach to communicating messages from our community partners, government agencies and select businesses with our students and their families. We will no longer be sending those fliers home in backpacks with our students, but rather posting them through a virtual backpack link that will appear on our website homepage, www.fsd157c.org. This will begin on January 11, 2010.

As an added benefit this will cut down on the number of pieces of paper your child is bringing home. This will help to keep important documents from getting lost in the bottom of backpacks. A hard copy of any important information from District 157-C will be sent home with your child through their backpack and placed in the Virtual Backpacks as a duplicate copy. I would encourage you to periodically check the Virtual Backpack to make sure you have all the necessary information.

Frankfort District 157-C has multiple requests from outside organizations to distribute promotional/informational materials to our students. All approval for disseminating this information is based on our School Board Policy. All requesting organizations should be aware that the only material considered for publication on our Virtual Backpack will be an activity that a school aged student can participate in. Frankfort District 157-C does not participate in advertising products or services to the parents of our district.

Organizations wishing to have their fliers appear in the Virtual Backpack should e-mail a PDF to Debbie McAllen at dmcallen@fsd157c.org or send the flier through a fax to her attention at 815-469-8988. If approved, all fliers are limited to a one month posting.

Sincerely,

Thomas A. Hurlburt
Superintendent of Schools
