

## **DROPPING OFF AND PICKING UP STUDENTS AT GRAND PRAIRIE SCHOOL**

During the summer, the parking lots were expanded and re-routed in order to be more effective for morning drop off and end of the day dismissal. Please observe the following rules when dropping off and picking your child up:

- Use the car rider line in the east parking lot to drop off and pick up children.
- For the safety of the children, please load/ unload your child between the two cones in the car rider line.
- Do not drop children off in the main parking lot. Due to safety issues that may arise from children passing between parked busses, we are asking that all children be dropped off in the car rider lines only.
- Please do not use bus lanes for picking up or dropping off children. These lanes need to remain clear as busses come and go throughout the day. The bussing lanes are also used as a fire lane and must remain clear in case of an emergency.
- Please be aware of the new signs for car routes.
