

Collage

Create a collage that (depending on the topic):

- Summarizes the research you have collected
- **Definition:** A work of art composed of different materials assembled or pasted together in a creative way.

Words from the Trade:

- Collage
- Arrange
- Combine
- Design
- Texture
- Banner
- Scissors
- Fabric
- Stained glass
- Decoupage
- Foil

Trade Secrets:

- Consider small "real" objects to include in your collage.
- Look for pictures in magazines and on cereal boxes!
- Glue your pictures and items to sturdy poster board.
- Look for unusual materials and textures.
- Cut any photos or clipart so that only the important parts are seen, and use pictures that are bright and colorful.
- Keep trying until it looks "just right", and glue last!
- Consider such effects as stained glass and decoupage.

Project "Look-4s"

An excellent project has all of these elements:

- A title that grabs the audience's attention
- A carefully arranged design
- A wide variety of elements and colors in the design
- Audience appeal that shows you know your audience
