

Art Overview

The goal of the Art Encore class at HCMS is to expose students to a variety of art processes, media and topics designed to develop skills in creative problem solving, self-expression and communication.

Rules

Art class rules are designed to allow the art process to run smoothly and safely

1. Respect yourself and others
2. Use art supplies for their intended purpose only
3. Respect ideas and artwork

If students choose not to use materials correctly, they may lose the privilege of using them.

Expectations

Students are expected to come to class:

- On Time
- Prepared
- Ready to learn

When work is missed due to absence it is the student's responsibility to arrange time to make up the work. Some projects may be completed at home or students may come it at lunch, during certain advisory days or arrange time before or after school.

Assessment

Student grades are assessed using the following percentages:

Summative 75%

Formative 25%
