Chelsea Intermediate Student Council Application

Name _____ Grade: _____Teacher _____

Chelsea Intermediate Student Council is a service based learning program. The members participate and lead in different service projects throughout the school year. Student council members will meet periodically throughout the year by grade level. The meeting dates and times will be determined by the number of students who sign up for Student Council. Once we finalize the numbers, we will provide specific dates and times. All applications must be submitted to your child's homeroom teacher no later than January 25.

The Chelsea Intermediate Student Council Responsibilities:

1. Attend after school meeting once a month on the specific grade level date.
2. Participate in school and community service projects.
3. Passing grades in all subjects.
4. Show care, respect and responsibility to all students and staff members.
5. Be a good role model at school (no office referrals during your participation of this program).

In the space below, please explain why you want to be a grade level representative in student council. Student leaders show qualities that distinguish them from others. What makes you stand out in a crowd? What distinguishes you from your peers? Why is it important to serve others and how have you done so in the past?
