## Our Learning This Week:

**Reading:** This week, we will continue our unit on characters! Students have been learning about inferring clues from a text and using those clues to help them make connections to characters in the stories that we have been reading.

**Writing:** This week, students have continued to work on their opinion writing. As of now, we have been talking about how to include arguments such as how someone might agree or disagree with their opinion. They are working on how to write about other people's opinion while sticking strong to their "best" collection.

**Math:** This week, students are continuing to learn about place value and sorting numbers into tens and ones. For example, 47 is the same as 4 tens and 7 ones. Students have been able to break down 47 into a number bond also. For example, 47 is the total, and the two parts would be 40 and 7. Students are also learning about place value by looking at groups of tens and ones to sort out how many tens and ones are in each number.

## IMPORTANT UPCOMING DATES:

2/7: FSP Hot Lunch  
2/14: Valentine's Day Party: 1:45-2:30//Athletic Hot Lunch//**LAST DAY OF FOOD DRIVE**
