

I am going to an assembly!

Today I am going to an assembly and it is going to be a lot of fun.

ha ha. this is so fun

The assembly may have some loud noises, but I do not have to worry because I will bring my headphones with me.

It may also be dark in the gym. There is no reason for me to be scared. My teachers will be with me. If I feel like I need to take a break, all I have to do is tell them and they will take me out of the assembly.

Assemblies are really fun. There is a lot to look at and listen to. I will be there with all of my friends and my teacher.
