IMPORTANT UPCOMING DATES:

Our Learning This Week:

Reading: This week, we talked about different strategies we can add to our reading "toolbox" and how to remember to use them when we are reading independently with a partner. We have also started our fairytales unit. We read books like Jack and the Beanstalk, the Princess and the Pea, and we will read Goldilocks and the three Bears. We are using these fairytales to compare it to other fairytale stories that have the same title, but are a slightly different story. Students are looking for the similarities and differences!

Writing: We are finishing writing our reviews! Students are finishing up their writing. The next unit will be on poetry that is tied to reading and writing.

Math: This week, we wrapped up our Module 4 lessons. We will be testing Monday and Tuesday. On Wednesday, we will begin Module 5, which is all about geometry!
