## Our Learning This Week:

**Reading:** This week, we completed our word detectives unit. Students used all of their detective skills to figure out a mystery, in which they had to decode for a special surprise! Next week, we will start a new unit on non-fiction texts in reading.

**Writing:** Students are finished with their how-to-books and will be starting all about books soon! Students also completed a fall acrostic poem and learned about what an acrostic poem is!

**Math:** Students are continuing to learn about how to decompose numbers and make 10+ facts from addends such as 7, 8, and 9. They do this by breaking apart  $8+3=11$  and finding the 10+ fact of  $10+1=11$ . With this, students are finding that a 10+ fact is a quicker and easier way to solve a problem instead of counting up using their fingers.

## IMPORTANT UPCOMING DATES:

.Report cards came home this week, please check for a white envelope!! ☺

\*\*Please make sure you sign up for a conference if you have not already. Emails were sent out ☺  
This month we are focusing on RESPECT! Wear gold/yellow! ☺
