

PE is fun!

I love going to PE! We do so many fun things in PE. PE is not only a time where I get to have fun learning new games, but it is also a time that I get to play with my friends in class. Sometimes we play games like hockey and basketball. Other times we jump rope, play volleyball or bowl. I do not like all of the activities that we do in PE, but that does not mean I do not have to go. My teachers all like me very much, and when I go to PE class it makes them all very happy. PE is one of the most fun classes I get to go to during the day. I learn how to play new games, and get to spend time playing with all my friends from class. I will go to PE and have a great rest of the day!
