

Parent Homework

August 22, 2018

Dear Parents and Guardians,

No one knows your child better than you do. As a parent, your perception of our student is a valuable resource. The more I know and understand about your child, the more effective I can be as teacher.

I would appreciate your participation in a "parent homework assignment" that would be of great value to me. Sometime in the next week, please write me a letter introducing your child.

You may want to include a brief biography, problems, special abilities, interests, fears, strength, weaknesses, and past school experiences. You may also want to tell me about your expectations for this school year: from me, your child, and the school. Include any information that you want me to keep in mind while I work with your child this school year.

I am looking forward to reading your letters and will respond to any issues and/or concerns as they arise. Thank you for taking part in this important assignment. All the letters will be kept confidential.

Respectfully,
