IMPORTANT UPCOMING DATES:

Our Learning This Week:

Reading: We continued to discuss good reading habits such as re-reading to smooth out your voice, scooping words in phrases, and reading with your eyes. We read *Knuffle Bunny* and talked about character traits and main events in the story. We will continue to talk about setting and create an activity to go along with it.

Writing: Students will be revising their stories using pictures and adding more details to their pages. This week, they learned about how to use the word wall to help them spell words. With that, we talked about ways to spell tricky words by listening to all sounds, sliding their finger across the word, saying the word out loud, and looking for little words inside of bigger words.

Math: Students have been working on counting up to 10 using different strategies such as using number sentences, number bonds, drawing pictures, and number cards.

ZEARN starts everyone at lesson 1 by module, Your child can work at their own pace by going through each level.
