

TODAY IS GOING TO BE A GREAT DAY!

Today is going to be another great day at school. I love coming to school! I am not sick; in fact, I feel GREAT! All of my teachers like me very much. I know that the nurse is where kids go when they throwing up or if they have a fever. Unless I have a fever or am throwing up, I will stay in class and listen to my teachers. I know my teachers care about me, and will make sure that I am ok; just like my mom does at home. I always want to have good days at school. Since I am a good, smart boy, I know I can have good days every day. All I have to do is follow directions, listen to my teacher, work hard and try not to cry. I have to remember that even if I feel a little sick, that I probably am ok. My mom would not send me to school if I really was sick, and if I get sick at school my teachers would notice. Today is going to be another great day at school. All of my teachers like me very much and I know I can do it!
