VOICEMAIL AND  
NOTES ARE FUN

HAPPY  
BIRTHDAY TO:  
NO NOV. BDAYS!

"Owl" Star of the  
Week  
Naomi

Donations Needed:  
We are good! :)

## Skills that were focused on this week included:

### T-I-G-E-R days this week: I-G-E-R-T

**Reading:** This week we used the topic bats to find main ideas of articles and specific paragraphs. I can identify the main topic of a multi-paragraph text as well as the focus of specific paragraphs within a text. I can determine the meaning of words and phrases in a text relevant to grade 2 topic or subject area. I can know and use various text features to locate key facts or information in a text efficiently. I can explain how specific images (e.g. diagrams) contribute to and clarify the text.

**Math:** This week we finished module 3. The students will take their math test on Friday. Please expect to see them returned by Monday at the latest.

**Writing:** This week we finished our bat research. We looked at our facts and determined what our table of contents for the All About book should be. We even began writing some of the parts!

**Language Arts:** This week we worked on nouns and verbs, letter writing skills, plurals, and elaborating on sentences. The children are even working on looking up words in a dictionary! Feel free to practice.

### Next Week topics:

### T-I-G-E-R days this week: I-G-E-R-T

**Reading:** Next week we will continue to work with non-fiction text features and main ideas of texts and specific paragraphs. We will explore various topics other than bats! :)

**Math:** We will begin module 4—Addition and Subtraction Within 200 with Word Problems to 100. We will start Monday exploring Sums and Differences Within 100. I can use addition and subtraction within 100 to solve one- and two-step word problems. I can fluently add and subtract within 100 using strategies based on place value. I can mentally add or subtract 10 or 100 to a given number 100-900. I can explain why addition or subtraction strategies work using place value and the properties of addition.

**Writing:** This week we will finish our All About on Bats.
