

Attention 6th, 7th and 8th Grade Artists!!!

It is time for the 2017-2018 Frankfort Tigers Yearbook Cover Contest.

If you choose to enter, your cover design must:

- Be on 8½x11" white paper; vertical/portrait orientation
- Include a drawn image of a tiger
- Include the date **2017-2018** and the words ***Frankfort Tigers***
- Be outlined in fine point **black felt tip pen** (do not use ball point pen).
- No pencil shading and no pencil lines can show; any shading must be done in fine point black **felt tip pen**
- **No color entries will be accepted**
- The tiger must be hand drawn, **not traced**

Artwork must be approved before submission is accepted.

Entry Deadline: Wednesday October 18

The entry form must be handed in clipped to your entry (do not staple). Your name should be on the entry form only. **DO NOT PUT YOUR NAME ON THE DESIGN.**

You will be able to sign your work after the voting takes place.

All designs entered will appear in a photo collage in the yearbook.

Entries will be narrowed by a panel of judges and the top 10 designs will be voted on by the school to find 1 winner.

If you have any questions or need advice see Mrs. Rogers in Art Room 1905.

Good Luck and Have Fun!

Entry Form

Grade _____

Advisory teacher's Name _____

Please see reverse side for tips and advise on your design

In the past few years we have had a lot of strong competition! So here are some tips from Mrs. Rogers to help you with your design.

- **Use a visual reference:** It is nearly impossible to draw something as detailed as a tiger from memory. So, before you begin your design find a photograph of a tiger to use as a reference. However, you **may not** use a popular tiger character that was created by someone else, like Tigger from Winnie the Pooh or Tony the Tiger.
- **Draw in pencil first:** Your final product must be done in black ink, but you can not erase it. So draw in pencil first and make sure it is exactly as you want it before you outline in ink.
- **Use a very fine point felt tip pen:** It is difficult to draw detail with a thick black marker, and ball point pen does not copy well. Consider using an ultra thin Sharpie or a similar pen for your final outline.
- **Pay attention to the lettering:** The entries that usually work the best have a very well drawn tiger, but also very well done lettering. Use a ruler to help you keep lettering straight and draw letters in a clear, but interesting style.
- **Be creative!!!**
- **Have fun!!!** In the end, only one entry can win, no matter how many beautiful entries we get. So, make this a fun activity, enjoy the process of drawing and creating, and remember that all entries will be pictured in the yearbook.
